PRICE FIVE CENTS

SPECIAL CENSUS BEING READIED IN STRABAN TWP.

Straban Twp. will hold a special census of its population this spring, according to current plans.

The census has been asked by a resident of the township, who has put up \$700 toward the estimated cost of the work which will be carried out by the census bureau.

Richard E. Miller, chairman of the Straban Twp. supervisors, said the census was asked and is being financed by Daniel Greenawalt, in an effort to determine whether the population of the township has reached the point where the Lincoln Logs may ask the state to change its license from a hotel to a restaurant.

Census Bureau Job

So far \$465, the amount required by the state as the "down payment" on the census, has been paid by the township and the township has made arrangements for maps and forwarded necessary information to the various bureaus involved.

Miller said the supervisors have not as yet received word when the census bureau will start the work, but it was understood that about six weeks will be required for training workers and making the census after the census bureau gives its approval to the project.

While the project will cost the township nothing, the supervisors noted that it will in effect help the township in its reimbursement in future years if the census shows a substantial increase. The "guesstimate" on the township's present population is "about 2,500." The 1950 census showed it at less than 2,000.

Report Filed

According to the auditors' report for the township, filed Thursday with the county clerk of courts, the township had 1,279 persons assessed for a per capita tax, which would indicate a population in excess of 2,000.

The auditors' report also showed (Continued On Page 3)

IGY Brings New Concept About Sun And Earth

By FRANK CAFFEY

WASHINGTON (AP)—Recent research suggests the earth may lie within a gaseous layer surrounding the sun, 93 million miles away.

Previously, the concept has been that the sun's corona, or outermost gaseous layer, extends only several hundred thousand miles into space.

Hugh Odishaw, executive secretary of the U. S. National Committee of the International Geophysical Year, told about this in discussing some of the research results so far during the 18-month IGY.

Explains New Theory

The IGY, now six months along, is a cooperative effort of 67 nations to learn more about the earth, its oceans and the cosmic environment surrounding it.

Odishaw's report in the journal Science dealt mainly with American research results. But he also made some references to activities of other participating nations.

He indicated that new support has been gained for a theory that the sun's crown-like corona actually reaches out some 93 million miles, filling all the space between the earth and the sun with a kind of very thin atmosphere.

New Cosmic Ray Facts

An aide to Odishaw told a reporter the new concept holds that the gaseous corona extends at least to the earth and perhaps well beyond.

But he also said that while it's conceivable that some of the sun's rays actually touch the earth's surface, the earth would be shielded by its own much denser atmosphere from any large amounts of the gas.

Also in the realm of IGY studies related to space, Odishaw said American scientists have come up with certain new observations of cosmic ray behavior which lead them to theorize that there may be important magnetic fields in outer space.

On The Threshold

Asked about the corona and cosmic ray studies, Odishaw told an interviewer: "I feel that we are at the threshold of beginning to understand a bit more about the interplanetary medium—that is, the space between the planets. But it would be premature to speculate on what this means in terms of manned ventures into space."

Band Boosters To Meet On Monday

The next regular meeting of the Band Boosters' club of the Gettysburg Joint School system will be held Monday evening at 7:45 o'clock.

In addition to important business to be transacted, there will be a "Spring Concert Preview" by the Junior High School band. This music reading rehearsal will be held following the business meeting. Band members are asked to be ready to play by 8:30 p.m.

President Edwin S. Longenecker will preside at the business meeting.

\$1,055 GIVEN BY MOTORISTS TO POLIO FUND

Adams County's motorists during the first week of the annual March of Dimes campaign, have contributed \$1,055.66 toward aiding persons suffering from polio.

Mrs. Joseph E. Codori, chairman of the annual fund-raising campaign, in announcing the first of the weekly reports on the contributions to the Adams County Chapter of the National Foundation for Infantile Paralysis, said \$563.41 of the \$1,055.66 was given by motorists residing within the Gettysburg area.

The allocation of the amounts is by post office cancellation marks. All of the donations announced today were by motorists who responded to the appeal sent 13,000 owners of private autos in the county.

Report By Communities

The amounts donated by area were: Abbottstown, \$64; Arendtsville, \$7; Aspers, \$7; Bendersville, \$9; Biglerville, \$43.25; Cashtown, \$9; East Berlin, \$31.50; Fairfield, \$3; Gardners, \$9; Gettysburg, \$563.41; Idaville, \$6; Littlestown, \$90.70; McKnightstown, \$4; McSherrystown, \$17; New Oxford, \$186.80; Orrtanna, \$5; Seven Stars, \$2; York Springs, \$25.

Most of the money to be raised by this year's polio fund campaign will go toward rehabilitation of youngsters and adults who suffered the disease in prior years. Over the past five years, 2,500 new operations and techniques have been developed to aid persons who suffered from the disease, Mrs. Codori said.

She also added that she has been notified by the national foundation that polio vaccination kits have been sent all high schools in the nation to urge high school age children to receive the Salk vaccine for the prevention of polio paralysis.

Samuel Scott Sings White House Solo

Samuel Scott, son of Mr. and Mrs. S. Lester Scott of Gettysburg sang with the 40-voice Westminster Choir of Princeton, N. J., Thursday evening as part of the after-dinner program at the White House in Washington when President and Mrs. Eisenhower were hosts to Vice President and Mrs. Richard M. Nixon and the members of the Cabinet and their wives.

Scott sang the solo part of "Old Man River" during the program which was presented under the direction of John Finley Williamson. The U. S. Marine Band struck up "Hail to the Chief" as President Eisenhower arrived at the dinner.

HOLD RUNAWAY GIRLS

Borough police picked up two runaway girls, ages 15 and 18, this morning about 6:30 o'clock. The girls are from Deveraux High School near Philadelphia, and are being held here for Deveraux school authorities. The reason they gave for running away was, "We just don't like school."

COOK WILL FILED

The will of Annie E. Cook, late of Gettysburg, has been filed in the register and recorder's office. Mrs. George F. Eberhart is executor of the estate valued at \$3,500.

Navy Launches Polaris Test Vehicle In Florida Today

CAPE CANAVERAL, Fla. (AP)—The Navy launched a Polaris ballistic missile test vehicle here today.

It was the first Polaris test officially identified as such. Judging from its performance at the start, and until it disappeared down the Air Force missile test range, it was a highly successful shot.

The Lockheed missile was launched at a minute before 8 a.m. into a cloudless blue sky.

Watchers in the chill morning air saw it whizz upward with a considerably greater rate of acceleration than that of other big ballistic missiles launched here recently. The Polaris is noted for its fantastic speed.

It left a long white trail high out across toward the southeast. The roar of its rocket motor came some seconds after the missile left the ground.

HUBBY LEFT FOR MONEY IN '55; BEING DIVORCED

Attorney Eugene V. Bulleit, master of the divorce action brought by Bessie E. (Whiteman) Dull, Gettysburg R. 5, against John R. Dull, York, holds that Dull deserted his wife when he left the couple's home September 5, 1955, ostensibly to get money.

Attorney Bulleit, in his report to the Adams County court as master in the action filed today with the prothonotary's office, recommends that Mrs. Dull be given a divorce from her husband on grounds of desertion.

The record attached to the report shows that Mr. Dull left home on September 5, 1955, for Carlisle to raise funds to pay off some amounts owing in connection with property in East Berlin.

Mrs. Dull apparently had urged the trip to Carlisle to see about getting funds to meet the obligations, and Mr. Dull, according to his testimony, said: "I will try to get it if I can, Bessie," as he left home, carrying a suitcase.

Sent Some Postals

Dull claimed his wife told him not to come back if he didn't get the money. Mrs. Dull claimed she said no such thing.

Although no definite statement is contained in the report, he apparently didn't get the money. At least he didn't come back.

Dull testified he didn't go into the house when he went back to have some remaining clothes removed. He said he was afraid of "fussing."

Dull also claimed to have sent some postcards to his wife. The wife recalled some post cards on which she "couldn't make out the writing," according to the testimony.

ASK HELP FOR FORD FAMILY

The Gettysburg Fire Department today appealed for two double beds, a single bed and mattress and a large kitchen table for the family of Clarence M. Ford, burned out of their home, near Hunterstown, Tuesday evening.

Fire Chief Donald Staub said efforts of the Red Cross and New Oxford firemen have resulted in sufficient clothing being obtained for the family along with several mattresses and other furniture for the unfinished apartment into which they have moved pending construction of a new home.

Staub said Ford Thursday expressed "amazement at the generous outpouring of articles for the family and expressed the appreciation of the family to all who have donated."

Still needed however are two double beds, for which mattresses have already been donated, a single bed, for which a mattress will be needed, a mattress, for the baby's crib and a large table.

Persons who wish to donate any of the articles may telephone the firehouse here and the local firemen will call for the articles.

HOKI RITES TODAY

Funeral services for Harry C. Hoke, 74, Gettysburg R. 5, who died Tuesday evening at the home of a sister, Mrs. Clarence Joffcoat, 134 Breckenridge St., were held this afternoon at 2 o'clock at the Peters Funeral Home, Carlisle St., with the Rev. Harry Fehl, Jr., pastor of the Memorial EUB Church, officiating.

Interment was made in the Gardners Church Cemetery. The pallbearers were John Settle, Norman Storrick, Wilbur Nett, Merle Rudisill, Luther Stevens and Thomas Treher.

ON TV SUNDAY

Dr. William Sebastian Hart, musical director who is organizing a Gettysburg Symphony Orchestra, will appear on a 30-minute TV program over channel 13, Sunday afternoon at 3 o'clock, January 19. His presentation will be "Heartbeat of the Orchestra" in the series called Johns Hopkins Film 7.

8 COUNTY 4-H BEEVES WIN

Eight Adams County 4-H Baby Beef Club members were awarded cash prizes in Thursday's judging at the Pennsylvania State Farm Show. Today their baby beefs were being auctioned at the show as a closing day feature. Jack T. Frost of Purdue University was the judge.

Cheryl Snyder, Gardners R. 1, ranked second in the light heavy-weight Hereford class, and Dale Blair, Littlestown R. 2, won 10th place in the same class with his steer.

The steer shown by Russell Grove Jr., Gardners R. 2, placed sixth and that of Stephen Murren, Hanover R. 4, twelfth in the same class.

Among the medium weight Herefords, Donald Blair, Littlestown R. 2, fourth, and his sister, Shirley placed seventh in the same class with her baby beef.

William Grove, brother of Russell, placed third in the heavy-weight Hereford class. Other county club members who won prizes included: light heavy Angus class, Patrick Murren, Hanover R. 4, 15th, and Dorothy Wetzel, Hanover R. 5, 10th in the heavy-weight Angus class.

DISLOCATES SHOULDER

Albert E. Krug, 83, Littlestown, was treated at the Warner Hospital for a dislocation of his right shoulder sustained while helping move beds at the Hoffman Orphanage where he is employed.

MARY M'KEE, 17, GHS SENIOR, IS CHERRY QUEEN

Miss Mary Alice McKee, 17, a senior at Gettysburg High School and part time silk mill worker, Thursday afternoon became Gettysburg's new Cherry Pie Baking Queen.

It was her "first big win" in a baking contest. She had previously entered twice in apple dessert contests, but had been among the runners-up in those events.

Miss McKee, a daughter of the Rev. and Mrs. Jacob Warrenfeltz, 36 N. Washington St., won the award in competition among 22 members of the home economics class at the local high school. The contest began Monday when the number of entrants was reduced to the seven who took part in the finals Thursday afternoon.

County Contest Jan. 27

Runner-up in Thursday's event was Shelby Boone, 16, a senior at the high school and daughter of Mr. and Mrs. O. W. Boone, Orrtanna R. 1. Miss Boone was also in her first cherry pie baking contest but had participated previously in apple dessert contests. Miss Boone started her high school career at Biglerville High School but transferred to Gettysburg at the start of her Sophomore year.

Miss McKee, who is president of the home economics club at Gettysburg High School, and Miss Boone are planning secretarial careers upon completion of their high school studies.

Judges for Thursday's contest were Miss Florence Finger, home economist for the Adams Electric Cooperative; Miss Louise Ramer, guidance counselor at Gettysburg High School, and Mrs. William Conover, local homemaker.

Miss McKee and Miss Boone were the only seniors in the finals Thursday. The other finalists were Carol Landis, a junior; Joyce Adams, a sophomore, and Bonnie Boyd, Karan Hawley and Rebecca Stahley, freshmen.

Miss McKee will represent Gettysburg High School in the county cherry pie baking contest to be held at the local high school January 27.

TOWN NATIVE, RR EXECUTIVE, IS BURIED HERE

Lewis D. Freeman, 69-year-old Gettysburg native who had a long and colorful career in railroading, died last Saturday in Middletown, N. Y., and was interred Thursday afternoon at 1 o'clock in the family lot in Evergreen Cemetery here.

Committal services were conducted by the Rev. Dr. Paul L. Reaser, pastor of the St. James Lutheran Church, for the man who went to the Baldwin Locomotive Works in Philadelphia at the age of 17 as an apprentice machinist after learning telegraphy from the late Charles W. Myers of Gettysburg in the Western Maryland railroad office here.

Mr. Freeman, who was the Democratic nominee for mayor in Middletown last fall, had lived in that community for the last four years. He went there in 1953 as bankruptcy trustee for the Ontario and Western Railroad which he had approved for a large government loan years before as a government official. When the railroad recently went into receivership, all but \$200,000 of the original four million dollar loan had been paid off.

Was RFC Official

The Gettysburg native was the chief of the Railroad division of the Reconstruction Finance Corporation in Washington from 1947 to 1953. He was a professional engineer with more than 50 years (Continued On Page 3)

Republican Women To Elect Tuesday

Officers for the coming year will be elected by the Adams County Council of Republican Women Tuesday evening at 8 o'clock at a meeting to be held in the historical society rooms in the courthouse.

Reports will be presented by Mrs. A. W. Butterfield, president of the council, Mrs. Guyon E. Buehler, Mrs. Blaine Walter and Mrs. Blaine Hughes on the state convention held at Philadelphia.

MISS BITTINGER TO BE PRESIDENT FOR B-P WOMEN

Miss Roberta Bittinger will be the new president of the Gettysburg Business and Professional Women's Club, according to the slate of nominees presented by the nominating committee at Thursday evening's meeting of the club at the YWCA.

Mrs. D. Edwin Benner, Miss Rosea Armor and Miss Mary Dutera, the nominating committee, presented this slate: President, Miss Bittinger; vice president, Mrs. Lee M. Hartman; secretary, Mrs. Leo Smith and treasurer, Mrs. Frank Murray. The election will be held February 6 at business meeting at the YWCA.

Miss Rebecca Smith, president, presided at Thursday evening's meeting held following a "Birthdays Dinner" at the YWCA. Prior to the dinner Miss Leora Held described the Norwegian koldbord or smorgasbord and the dinner Thursday started with a koldbord consisting of apricots, prunes, tuna, crabmeat, shrimp, potato salad, pickled salmon, cabbage slaw, crab puffs, assorted cheeses, assorted crackers, sardines and canapés.

Reads "Horoscopes"

Miss Christine Angioris read "horoscopes" for each member and Mrs. Jesse Clapsaddle gave a reading on "New Year's Resolutions For Dieters." Mrs. William Swisher was chairman of the supper committee which included Mrs. James Harness, Mrs. Leo Smith, Miss Martha Stallsmith, Miss Mary Dutera and Miss Rosea Armor.

Miss Held conducted devotions on the theme, "I Am the Truth," at the opening of the business meeting. Mrs. Monroe Dellinger, co-chairman of Public Affairs read several articles. Mrs. Guyon Buehler reported on the Light Seeing tour in December and the awards presented at the Junior Chamber of Commerce award dinner which she and Mrs. Frank Murray attended from the Business and Professional Women's club. Mrs. Murray also reported on the Jaycee awards program.

Mrs. Bernard Murray reported on the Christmas banquet. Miss Sachs announced the annual membership meeting of the YWCA will be held January 24 at 8 p.m. and urged all club members to attend. She also announced there will be a party January 23 with the Annie Danner members as guests. Each Business and Professional Club member is asked to bring a wrapped gift to the party. Those planning to attend are asked to sign at the YWCA by noon Wednesday. It was announced that the standing committees and cabinet will meet January 30.

Countian Unhurt In Hanover Accident

An automobile driven by Harvey L. Lecrone, 22, Spring Grove R. 3, and a truck operated by Charles W. Brame, 34, Littlestown R. 2, and owned by the Emeco Corp., Hanover, were involved in a head-on collision in Hanover, Thursday. Both drivers escaped injury.

Police reported Brame was traveling west on Poplar St. and at a curve the truck skidded on the icy street and crashed into the Lecrone car, traveling east. Damage to the truck was estimated at \$200 and to the almost demolished Lecrone machine at \$750, police said.

Three Are Killed When Small Plane Crashes On Mountain

BELLEFONTE, Pa. (AP)—A small plane crashed atop Moshannon Mountain last night as it was making an approach on Black Moshannon Airport. Three persons died. The pilot survived.

The pilot, Calvin Robert Strouse, 34, crawled from the wreckage and staggered down the mountain-side, dazed and bleeding, about a quarter mile to the first farm house.

State police identified the dead as Mrs. Rita M. Strouse, St. Marys, wife of the pilot; Robert L. Hibbard, St. Marys, and John I. Saalfeld, Ridgeway. All were about 31.

State police listed the Pure Carbon Co., Inc., St. Marys, as owner of the plane. M. T. Victor, of Ridgeway, said his firm, the International Powder Metallurgy Co., was co-owner.

POULTRY, BEEF, DAIRY HONORS COME TO ADAMS

Forty more awards in the poultry division, new dairy cattle honors and prizes for Angus cattle exhibited by George E. Allen and B. G. Byars, Gettysburg R. 2, were among the new awards won by Adams Countians at the Pennsylvania State Farm show in Harrisburg in today's list of prizewinners.

Two summer yearling Angus heifers from the Allen - Byars herd captured prizes in Class 261 at the beef cattle division of the show. The heifers won a third and fifth place award.

New honors in the Jersey cattle division of the dairy show have been announced for the Henderson herd, Gettysburg R. 4, which had won other honors in the same division earlier in the week.

The additional prizes for the Henderson Jerseys include: Third prize to Francis E. Henderson Jr. for a yearling heifer; two more third prizes and a fourth place award for a "best three females" class. He also won a third prize for a three-year-old cow and a sixth place for a yearling heifer. F. Earl Henderson won a third prize for a yearling bull.

The long list of poultry honors included honors in the bantam and foreign breed classes.

E. E. Miller, York Springs, won two first awards, a second and a fourth place award with bantams he showed.

Many of the poultry prizes went to birds shown by Cyril Staub, New Oxford. In the Polish breeds, he took a first and fourth prize for Mottled Houdans. In the waterfowl class he took two fourth prizes for ducks. Other honors for him in the duck show included a first for an old drake, a second, and two fourths for other drakes, a first, second, two fourths and a fifth prize for India ducks, three third prizes for Muscovies, and a second and a third prize for buff ducks.

In the game breeds of chickens, E. E. Miller took second, fourth and fifth prizes among the Black Sumatras. Staub came up with a number of bantam prizes, including seven firsts, five seconds, two thirds and a fourth. Michael Shank, Hanover R. D., also won a third prize for an English bantam.

SERVICES FOR DEAF SUNDAY

A special worship service for the deaf in the sign language will be conducted in Trinity Lutheran Church, Greencastle, Sunday afternoon at 2:30 o'clock.

The service, sponsored by the Lutheran Inner Mission of the West Pennsylvania Conference, will be conducted by the Rev. H. Earl Schlottzauer, Idaville, pastor of the Upper Meridian Lutheran church. Rev. Schlottzauer, who recently completed some graduate work at Gallaudet College for the Deaf, Washington, D. C., also conducts regular monthly services for the deaf in St. Matthew's Lutheran Church, Lancaster, and in St. Paul's Lutheran Church, Carlisle.

For the benefit of the deaf who do not use signs but read lips, Rev. Schlottzauer will make use of the "simultaneous" method. That is, he will sign and speak at the same time.

Through the use of this new preaching point in Greencastle, the Lutheran Inner Mission hopes to serve many of the deaf in this area who are unable to attend the services in Carlisle. All deaf in the area are invited to attend the service.

OPEN S. S. OFFICE IN LITTLESTOWN

Harry D. Smith, field representative of the Chambersburg Social Security Office, today announced plans to open an office in Littlestown.

Smith said representatives of Social Security will be at the Littlestown fire hall starting Tuesday, from 10:30 to noon to meet with people in that area who may wish to make claims or reports. Thereafter representatives of Social Security will be at the fire hall during those same hours the third Tuesday of each month.

It was decided to open the Littlestown branch because of the increase in work at the local employment office each Wednesday when Social Security representatives were there, Smith said.

In addition to Littlestown and Gettysburg, where representatives are present each Wednesday from 10 a.m. until noon and from 1 to 4 p.m., there are also stations at Biglerville fire hall, where a representative is present from 10:30 a.m. until noon the last Friday of each month, and at McSherrystown, where a representative is at the fire hall from 10:30 a.m. until noon on the first Tuesday of each month.

DENIES GUILT THEFT, MURDER; BLAMES HUBBY

SALEM, Ill. (AP)—Eighteen-year-old Trudy Jo Baker, on trial for murder of a Marine, has based her defense on a plea she was dominated by a criminal husband.

Robert Baker, 27, of Wormsleyburg, Pa., pleaded guilty in the case and was sentenced Wednesday to 99 years in prison.

The victim was Pvt. Larry Kirk, 21, shot in the back and robbed of \$12 after he had hitched a ride with the Bakers in December of 1956. He was on his way to Winslow, Ind., to spend Christmas at home.

Trudy Jo pleaded innocent and elected to stand trial before Circuit Judge Daniel Dailey without a jury.

Cites Her Background

Robert Washburn, defense attorney, asked Judge Dailey to consider her background. She came from a broken home, he said. She was only 16. She had known Baker only nine days at the time of the slaying. She didn't know what he planned.

At an early age she was thrown into the company of vicious adults with low morals," Washburn said. "She was in a house of prostitution when Baker met her and married him after having known him only one day. She was afraid of him at that time and Baker utterly dominated her."

Sheriff Bill Hoskinson testified Trudy Jo had never shown remorse. She sobbed as her husband was sentenced but appeared to have regained her composure when she came to trial yesterday.

TRAVEL COUNCIL PLANS STUDIED

Preliminary plans for 1958, activities by the Gettysburg Travel Council were outlined Thursday evening at a meeting of the planning and budget committee held at the Travel Council office in the Western Maryland Railroad station.

Walter B. Lane, chairman of the committee, said his recommendations will be presented to the board of directors at a meeting January 24 for final action.

According to recommendations to be presented to the board for approval, the annual campaign to raise operating funds will begin about February 1 and continue for approximately eight weeks. Preliminary plans for the campaign were presented to the committee by William Baker, and a number of those plans will be included in the recommendation of the committee to the board.

Preliminary plans for sending approximately 200,000 Gettysburg folders through the state travel bureau to potential tourists, plans for operation of the Travel Council office for the convenience of tourists over a longer period of each year, plans for the sending out of additional stories on Gettysburg and its activities to the press, radio and television, and plans for film promotion were among other matters considered by the committee.

Will Accept Award For Chemical Group

Dr. C. Allen Sloat, W. Broadway, past chairman of the Southeastern Pennsylvania Section of the American Chemical Society, will accept the Public Relations Award for the chapter at a regional meeting in Philadelphia, February 5.

This is the third successive year this section has won the award for medium-sized chapters.

The award is made to the chapter which contributes most in the field of public information. Russell E. Philip, an employee of the Hamilton Watch Co., served as chairman of the Public Relations Committee.

Dr. Clifford Rassweiler, national president of the American Chemical Society, will make the presentation.

AT ANNUAL DINNER

Congressman S. Walter Stauffer and Assemblyman Francis Worley were guests at the 15th annual Farmer-Business dinner Thursday evening in the Zumbo Mosque at Harrisburg, an annual Farm Show Week feature. Toastmaster Loyal D. Odner introduced Mr. Worley as the "pioneer who in 1949 introduced the gas tax refund for the farmers of Pennsylvania."

State Secretary of Agriculture William Henning was among officials attending.

Intermediate Girl Scout Troop 44 met Thursday afternoon at St. James Lutheran Church. The flag ceremony was conducted by Molly Ayre, assisted by Cynthia Deardorff, Ann Bucher, Sally Crist and Janice Crow. The members worked on the hospitality badge and orders were taken for the cookie sale to start next Friday. The leaders, Mrs. Melvin Feidler and Mrs. Arthur Phiel, were assisted by Mrs. Walter Johnson.

The American Legion Auxiliary executive committee will meet Monday evening at 7:30 o'clock in the auxiliary room at the Legion Home, Baltimore St.

The Auxiliary of the Sons of Union Veterans will meet Monday evening at 7:30 o'clock at the post home, E. Middle St.

The Women's Civic Council will meet tonight at 7:30 o'clock at the YWCA.

The National Council of Catholic Women met Thursday evening in Xavier Hall with Mrs. Wayne Asper presiding and 15 members present. Members were asked to make reservations with Mrs. Asper by Thursday for the Conewago Deaneery dinner meeting to be held at St. Aloysius Hall, Littlestown, January 28.

Mrs. Charles Culp reported for the hospitality committee. Miss Anna McSherry reported that she had presented a basket of fruit to the County Home at Christmas. Final plans were discussed for the card party to be held at 8 o'clock tonight in Xavier Hall. Those having contributions are to notify Mrs. George P. Eberhart or Mrs. Paul

Littleton, co-chairmen.

Following the business meeting Rev. Fr. Anthony F. Kane gave the second in a series of talks on "The Nature and Structure of The Church." He encouraged the members to read the Acts of the Apostles. Slides were shown on the life of Christ. Refreshments were served by Mrs. Frank Rosensteel, Mrs. Asper and Mrs. G. Henry Roth, hostess committee.

The Ladies' Auxiliary of the Fraternal Order of Eagles met Thursday evening at the Eagles home, Chambersburg St. Plans were discussed for a public card party January 24 at 8 p.m. at the Eagles' home. The door prize was won by Mrs. Roy Millhimes and the good of the auxiliary prize by Mrs. Clara Clabaugh. The meeting February 6 has been cancelled and the next meeting will be held February 20.

Thirty-one vocational home economics students of Gettysburg High School attended a Future Homemakers of America conference at the Educational Building Forum, Harrisburg Wednesday and then visited the State Farm Show. The group, accompanied by the "chapter mother," Mrs. Jacob Warrenfeltz, and the teacher, Miss Eva Jane Schwartz, traveled by bus.

Engagement

Turner—Masters

Mr. and Mrs. George Masters, Waynesboro R. 1, have announced the betrothal of their daughter, Thelma, to Manuel Turner, son of Mr. and Mrs. David Turner, Emmittsburg, Md. R. 1.

Miss Masters, who attended Quincy High School, is employed at Wayne Sportsweat.

No date has been set for the wedding.

Wedding

On January 4 Miss Shirley Mae Jones and George William Parlette were married in St. Paul's Lutheran Church in Fayetteville. The bride is a daughter of Mr. and Mrs. Daniel Elmo Jones, Fayetteville, and the bridegroom is a son of Mr. and Mrs. Elmer F. Parlette, Great Cacapon, Va.

The double ring ceremony was performed at 2:30 o'clock in the afternoon by the Rev. Lester J. Kaufman, pastor of the church.

Mrs. Bobby Farris, Great Cacapon, sister of the bridegroom, was the matron of honor. Mrs. Bruce Jones, Hanover, sister-in-law of the bride, and Miss Darlene Jones, Fayetteville, sister of the bride, were the bridesmaids.

Gerald Ferris, Marion, uncle of the bridegroom, was the best man. Ushers were Robert Stepler, Chambersburg, and Bruce Jones, Hanover, brother of the bride. The flower girl was Miss Beverly Farris, Great Cacapon, a niece of the bridegroom. Philip Jones, Cardiff, Md., was the ringbearer. Mr. and Mrs. Parlette are residing at the home of the bride in Fayetteville.

Mrs. Parlette is a graduate of the Littlestown High School, class of 1953, and is employed as a telephone operator by the United Telephone Co., Chambersburg. Mr. Parlette attended the Berkeley Springs High School and had been employed by Montgomery Ward. He left Tuesday for duty with the U. S. Army.

WANTS U.S. TO REOPEN MINES

JIM THORPE, Pa. (AP)—Carbon County officials are pressing for state and federal aid to reopen coal mines near Lansford. Some 900 miners have been out of work for 18 days.

A petition was to be circulated in the county today asking Gov. Leader, the state legislature and the state's Congressional representatives to hold a public hearing on the situation.

Chief Burgess George Demetriades of Lansford said 10,000 signatures will be sought.

These moves toward reopening the Panther Valley Mining Co. of Lansford were worked out last night at a meeting of the county's burgesses and township supervisors.

The officials set up an organization to circulate the petition and elected Demetriades president.

The mining company suspended operations at its mines on Dec. 31 for an indefinite period and announced that the suspension was because of unfavorable market conditions.

To Review Teacher Certification Plan

HARRISBURG (AP)—Dr. Charles H. Boehm, superintendent of public instruction, said today Pennsylvania's teacher certification requirement would be reviewed Feb. 25 for the first time in 30 years.

Boehm said a four-member subcommittee of the State Council of Education would make the review.

Named to the committee headed by Cathleen Champlin, Philadelphia, were Dr. O. H. English, superintendent of Abington schools; Dr. James H. Duckrey, president of Cheyney State Teachers College; and Mrs. Pearl Buck Walsh, Nobel prize-winning novelist.

BENSON POINTS NEED OF NEW FARM MARKETS

WASHINGTON (AP)—Secretary of Agriculture Benson today urged Congress to ease crop production controls and to authorize lower price supports as a means of opening new farm markets.

In a statement prepared for a Senate Agriculture Committee hearing, he asked specifically for quick action on a broad program outlined by President Eisenhower in a special message on agriculture yesterday.

The program drew heavy fire from many farm state congressmen.

Cites Failures

As Eisenhower had done, Benson characterized major features of current farm programs as failures.

Benson put great stress on administration proposals to give his department authority to set price supports for such basic crops as wheat, corn, cotton, rice, tobacco, peanuts and dairy products as low as 60 per cent of parity. The present minimum is 75 per cent of parity.

Parity is a standard for measuring farm prices declared by law to be fair to farmers in relation to their costs.

A number of key legislators have said that major proposal by the administration stands no chance of adoption.

STATE IS URGED TO SAVE 30,000 ACRE GAME AREA

HARRISBURG (AP)—The administration was under pressure today from organized sportsmen to spare the 30,000 acre state game preserve in Dauphin-Lebanon counties from the anthracite expressway.

Charles H. Neff, secretary of the Pennsylvania Federation of Sportsmen's Clubs, yesterday made public a letter he has written to Gov. Leader in which he described a plan to run the four-lane superhighway through the game land as "catastrophic."

Instead, Neff proposed a route that would skirt east of both the game preserve and the Indian Gap Military Reservation.

The expressway will be a federal interstate route running roughly diagonally through the state from near Binghamton, N. Y., to near Hagerstown, Md. The general route proposed would carry it by Scranton and Harrisburg.

Restudy One Area

Although the route southward from Binghamton to Ashland, Schuylkill County, and northward from the Maryland line to Harrisburg has been generally set, the portion between the state capital and Ashland has been reopened to study because of the opposition of Adj. Gen. A. J. Drexl Biddle to use the military reservation as originally proposed.

Neff noted that one of the alternatives to routing the expressway through Indian Gap would take it westward from northeast Lebanon County, through the state game lands north of the huge military base, to Dauphin on the Susquehanna River.

This so-called Stony Creek Valley Route, Neff said, "would be the death blow to the last remaining large wilderness area here in the extremely heavy-populated section of the commonwealth."

"Destroy Natural Asset"

To run it through the heart of the preserve, he said, "would be utter folly, totally destroying a natural asset which could never be duplicated."

Such a route, he added, "would only add to the current serious bottleneck at Dauphin."

He proposed a route southward from Ashland roughly following State Route 433 east of the preserve and the military base to Lickdale, Lebanon County, and thence westward to Harrisburg, paralleling U.S. 22.

He asked for Leader's "effective support" of the sportsmen's plan.

SOME STOCKS LOSE

NEW YORK (AP)—The stock market fell back in moderate early trading today.

Losses of fractions to a point or so were taken by key stocks.

It was obvious that yesterday's early boom on news of a cut in margin requirements to 50 per cent from 70 per cent was a flash-in-the-pan.

Airports, steels, rails, nonferrous metals and oils were lower. There were some slight gains among airlines and building materials. Motors were mixed.

Navy Launches

(Continued From Page 1)

the development of the missile," he said.

It is known that a number of Polaris test devices have been fired from this center within the past 12 months.

In each case those launchings that were confirmed were described merely as test vehicles, without associating them with Polaris.

Polaris, named after the North Star, is the Navy's 1,500-mile intermediate-range ballistic missile. It was designed for launching from atomic powered submarines above or below water, and from aboard ships.

Polaris reportedly will be the biggest and most complex missile the Navy ever has attempted to build. It will be smaller and lighter than the other IRBMs — the Air Force Thor and the Army Jupiter — in the nation's arsenal.

Fifty Feet Tall

The operational Polaris probably will be about 50 feet tall — 10 feet shorter than the Air Force and Army IRBMs — and 100 inches in diameter, and may be capable of carrying an atomic warhead of up to 1,000 pounds. There was no indication of the size or weight of the test vehicle fired today.

Aerofjet General Corp., Sacramento, Calif., is developing the Jupiter IRBM. Like the Air Force Thor, it uses a liquid propellant. The Navy turned to solid propellant rocket power, as more practical for use aboard ship, after that type of fuel and oxidizer combination became available in efficient and usable form.

The Defense Department announced plans for Polaris only a year ago. Now it says, the missile is well along in development. The program is high on the Navy's weapon priority list.

Secretary of Defense McElroy told the House Armed Services Committee this week that the Navy wants to invest 296 million dollars in development of three atomic-powered missile launching submarines.

Fire Above, Below Water

McElroy indicated that by early 1960 the Navy may have a fully developed Polaris, capable of being fired above or under water and of going the full 1,500-mile range. It would be ready for full-scale testing and for quantity production by Lockheed Aircraft Corp., Burbank, Calif., if the missile met requirements.

McElroy and other Defense Department spokesmen said the combination of the Polaris and of the atom-powered submarine, capable of cruising under water at high speeds almost indefinitely, would give the Navy the power of inflicting atomic retaliation upon almost any potential enemy target — and with perhaps greater accuracy than could be achieved by a missile of greater range.

The Navy said the Polaris-armed submarines will use an advanced type of reactor, such as that which is being put in the new submarine Skipjack, scheduled for launching this spring.

Two County Boys To Receive FFA Degree: Paul Reaver, Gettysburg high school; Guy Tanager, of Biglerville high school; Richard C. Lighter, county vocational education adviser in Adams County, and Cecil R. Snyder, Biglerville instructor of vocational education, went to Harrisburg today for the annual meeting of the Pennsylvania Future Farmers of America. Reaver and Tanager are delegates from the county FFA chapter and will receive the Keystone Farmer degree at today's meeting.

Lions Will Erect County Honor Roll: Gettysburg Lions voted at their weekly dinner meeting Monday evening to sponsor the erection of an honor roll in center square bearing the names of all of the county men and women in the armed forces of the United States.

Other local service clubs and fraternal orders will be invited to share in the project.
President William A. Beales presided at the meeting with 25 members in attendance. Lion Robert Smith was named to the community betterment committee and R. W. Wentz, J. Herbert Welkert and Hugh C. McElhenny were appointed to audit the club financial accounts.

Water Company Is Available To Town On Exchange Plan: John H. Ware Jr., Philadelphia, majority stockholder of the Gettysburg Water company, told Gettysburg borough councilmen at a special session Monday evening that he is willing to exchange his property here for revenue bonds to be issued by a borough authority.
His plan, he said, would permit the borough to acquire the property in from 15 to 40 years, would involve no financial outlay to the town, that present water rates would be retained during the period of acquisition and that it may even result in a small saving to local consumers.

Dr. Musselman, Dentist 46 Years, Dies: Member of Seminary Board; Dr. J. Ellis Musselman, 67, Gettysburg dentist for more than 40 years and a member of the board of directors of the Gettysburg Lutheran Theological Seminary, died Tuesday evening at his home, 225 Springs avenue.

A native of Fairfield, he began practice in Fairfield in 1908. The following year he came to Gettysburg and continued to maintain an office here from that time to his death. His first office here was located in the first block of Baltimore street, later in the Eckert building on center square and then at its present location, 26 Chambersburg street.

Strausbaugh Sells Mill To B. H. Foth: E. G. Strausbaugh, West Broadway, said today that he has sold his planing mill and lumber yard north of Railroad street between Carlisle and North Stratton streets, to Barton H. Foth, First National bank building. Mr. Strausbaugh, who has operated the mill for the last 25 years, did not announce his plans for the future.

Mr. Foth was formerly in the milling business at Aspers as a member of the firm of Foth and Guldien. He sold his interest in that business last year.

Dr. Mountain Heads Warner Hospital Staff: Dr. W. S. Mountain was elected as the new president of the Warner Hospital staff at the annual organization meeting held at noon Wednesday at the hospital. He succeeds Dr. C. G. Crist. Dr. C. Harold Johnson was elected vice president of the staff. Dr. Henry Stewart continues as secretary.

Today's Talk

RETREATS

It is natural for each one of us to dream of a retreat for ourselves where we can temporarily seek peace and a personal appraisal. It may be no more than a quiet library where we can lose ourselves in books, or some quiet place in nature to look into ourselves and self examine for spiritual gain.

Marcus Aurelius suggested that we retreat into ourselves. He said: "I affirm that tranquility is nothing else than the good ordering of the mind." If people would dismiss all personal fears and worries and surrender to GOD, here would be an immediate arrival of peace of mind and heart. One's entire world would seem to have changed!

We wrap ourselves in too many petty hindrances, and wonder why we do not gain the happiness that well might be ours. The occasional retreat to somewhere in nature, to an out-of-the-way place with a friend, or to some selected solitary place for prayer. The retreat itself may not be too important.

It's the purpose that counts most. At the inception of the New Year is a most appropriate time to get a new grip on oneself. That retreat to oneself. New resolutions. New decisions. New resolutions, organized within the heart. Alone with our better self. Our own personal revival. How significant can such a retreat become!

Entire self-renewal — What a happy change! We can retreat from mere possessions. We can fathom the soul we own, and rise above all troubles and disappointments. We can become alive to new opportunities within us and grow unconsciously enriched.

Tomorrow Mr. Adams will talk on the subject: "Intimate Things" Protected, 1958, by The George Matthew Adams Service

Turnpike Earnings Gain In December

HARRISBURG (AP)—The Pennsylvania Turnpike Commission has reported net earnings for December of \$1,707,650, a gain of \$170,844 over the same period in 1956.

Franklin V. Sommers, the toll road agency's director of operations, said yesterday gross revenue in December, 1957, was \$2,550,773, compared to \$2,257,417 for that month in 1956.

While gross revenue was up, Sommers said, so were operating expenses—\$364,742 in December, 1957, compared to \$136,596 in 1956. He attributed this rise to the expense of running the new 48-mile Northeast Extension of the turnpike.

BABY BEEVES ARE AUCTIONED AT FARM SHOW

By RICHARD L. GRAVES
HARRISBURG (AP)—Final events of the five-day 1958 Pennsylvania Farm Show were held today, marking both an end and a beginning for prize-winning 4H clubbers.

It was the end of the trial for 124 fat, pampered baby beeves and their year-long association with young masters. They went to the auction block and an ultimate place of honor on the dinner plate.

It was the beginning of worthwhile rewards for their masters—a rich return on a year of hard, careful work in bringing the animals to prizewinning form.

Prize Winning Beef
Heading the parade of prime beef-on-the-hoof to auctioneer A. W. Diefenbach of Lancaster was a waddling Hereford named Chris. The 1,035-pound red and white steer was ruled grand champion of the baby beeves in 4-H Club judging yesterday.

Chris was brought to top form by 16-year-old Lee Sweigard of Halifax, Dauphin County. It was the first time in seven years that a farmer from any other county than Lancaster County won the award, most coveted prize of the show.

The reserve 4-H grand champion was won by Kenneth Miller, 20, of Nazareth R. 1, Northampton County, for his 1,165-pound Black Angus, Amos III. In 1956 Miller also won the reserve grand championship with his Amos I.

"Pen Of Lambs"
Though blanked in the beef competition, Lancaster County 4-H youngsters won the grand and reserve championships in the pen of lambs event.

J. David Lapp, Bareville, won the grand championship for his pen of three and Mary K. Keene, Christiansburg, R. 1, captured the reserve crown for her trio. The lambs also go to the block today, following the cattle sale.

Last night a capacity crowd of 8,000 jammed the big Farm Show arena to see the annual parade of livestock and machinery in the show.

Hazardous roads but into attendance for the second time yesterday. The Farm Show Commission estimated 95,000 persons braved snow and freezing rain to tour the 14-acre farm show building. That attendance is some 55,000 less than for Thursday of last year.

Total attendance for the first four days of the exposition was pegged by the commission at 490,000—about 20,000 ahead of the four day total last year.

In other action yesterday auctioneers completed sales of 235 head of swine. Due to a highly favorable pork market, prices were high. The total sale price was \$27,474.

3 Are Killed

spotted a blood-smeared, disheveled figure walking down the mountain road nearby.

At almost the same time, Strouse stumbled to the home of Mr. and Mrs. Eli Pritchard of Julian R. D. seeking aid. They called authorities. A searching party of firemen found the wreckage of the plane from Strouse's directions. There was no visible evidence of fire. State police who arrived at the scene said the victims were so badly entangled in the wreckage they would have to be pried out. The bodies of the two men were not brought out until after midnight and the woman's body remained in the plane until this morning.

Strouse was taken to Phillipsburg State Hospital where it was reported today he was severely injured but expected to recover.

Study Decision To Secure Cement And Asphalt Bids On Road Building Projects

HARRISBURG (AP)—The State Highway and Bridge Authority today had under study the question of whether or not to go through with its decision to require bids for both concrete and asphalt surfaces in road building contracts let after Jan. 31.

Lewis M. Stevens, highways secretary and a member of the authority, informed the board yesterday that such a requirement, adopted only last month, would double the cost of planning roads. It would mean drawing two designs, one for each type of road surface, he said.

The matter was turned over to a committee for study. Stevens explained that the surfaces are not interchangeable, that certain soil conditions require a specific type of roadway surfacing.

Adds To Costs
For the 50 projects which the authority is now financing, it would add \$1,400,000 to the planning cost, he said. The figure was based on a cost of \$6,000 per mile for the 237 miles of road covered by the projects.

In a related development, the authority disclosed yesterday that the 20 million dollar bond issue to finance the 50 projects has been sold to Drexel and Co. of Philadelphia for \$19,727,200, at a 2.6293 per cent interest.

A. J. Caruso, executive director of the authority, said the interest rate was "really favorable . . . unexpected."

Twenty-seven of the projects are being financed on a 50-50 basis by the state and federal governments. On the other 23, the federal government is paying 90 per cent under the remainder of the bill.

Taylor Suggests Plan
Sen. M. Harvey Taylor, Senate president pro tempore, introduced the resolution to require bids on both type road surfaces at the

Light Snow, Rain Hit Coastal Areas

By THE ASSOCIATED PRESS
A three-day storm that stifled the Northeast under a snow blanket eased today although there was light snow overnight and rain or drizzle along coastal regions.

Heavy snowfall, measuring up to 28 inches in some spots, impeded highway and air travel. The storm center moved slowly up the coast and the Weather Bureau said that rain in the warmer coastal areas would change to heavy snow as colder air moves in behind the storm center.

Most of the area from the northern Plains eastward to the Great Lakes and southward into the Ohio Valley and Tennessee was under a vast cloud cover. Snow flurries were scattered throughout the area but the fall was slight.

DEATHS

By THE ASSOCIATED PRESS
CHICAGO (AP)—John C. Prendergast, 74, Chicago police commissioner from 1947 until his retirement in 1950, died yesterday. Reformers waged a running campaign of criticism against Prendergast, complaining he failed to clean house despite Senate Crime Investigating Committee disclosures of irregularities.

STEBENVILLE, Ohio (AP)—James Farrington, 84, electrical engineer and inventor who was a pioneer in the electrification of the steel industry, died yesterday.

MOBSTER DIES IN GAS CHAMBER DESPITE BOAST

PARCHMAN, Miss. (AP)—William Alvin Wetzel, New York mobster who boasted he never would be executed, died in the gas chamber at the state penitentiary today.

The 33-year-old native of Seneca Falls, N.Y., maintained to the last that he was innocent of the fatal throat slashing of Edgar McGraw.

As the pajama-clad Wetzel stepped into the eight-sided gas chamber in the maximum security unit, he told the Rev. Kermit Canterbury of Indianapolis, "Just tell the world I'm innocent."

Wetzel shook hands with C. W. Watson of Jackson, the state executioner, and assured him, "I hold no hard feelings for you."

The condemned man entered the chamber at 12:15 a.m. It took five minutes to strap him into the chair and a minute later the cyanide gas began its work. He was pronounced dead at 12:33 a.m.

Last Minute Pleas Fail
Lt. Gov. Carroll Gartin refused to grant clemency. Later, Justice Lee Hall of the State Supreme Court denied a petition for a writ of habeas corpus and a stay of execution.

Wetzel's brother Frank was convicted last week of first-degree murder in the death of a North Carolina state patrolman shot while he was at large after escaping from a mental institution at Willard, N.Y.

The brother had said he would try to free William from the death row at Parchman. He was captured in California and returned to North Carolina to face murder charges in the slaying of the two state patrolmen.

ELECT PEARSON LIBERAL PARTY HEAD 1,074-305

OTTAWA (AP)—Lester B. Pearson, newly elected leader of Canada's Liberal party, is expected to begin consultations immediately with other top Liberals on the question of when and how to force a new election.

The opposition party's national convention chose the 60-year-old career diplomat as its new leader last night in a resounding victory over former Health Minister Paul Martin. Pearson succeeds former Prime Minister Louis St. Laurent, quitting because of his 75 years. He will become prime minister if the Liberals win the next election.

The result of the party ballot was never in doubt. The vote was 1,074-305.

In his acceptance speech Pearson, former foreign secretary and Nobel Peace Prize winner this year, pledged himself to lead a "renewed and strengthened" Liberal party back into office soon. But he gave no hint of when a general election might be expected.

Possibility of an election stems from the inconclusive result of the last nationwide vote. The Conservatives led by John Diefenbaker won the largest group of seats in the 265-member House of Commons but got only 113 seats, missing a majority by 20.

He formed a government with the support of the Socialist OCF and the Social Credit parties, who have 44 votes. The Liberals, with only 106 seats, must pick up considerable support from the minor parties to bring down the government by a vote in Commons. After the Liberal convention adjourned, Pearson told a news conference that a caucus of Liberal members of Parliament will be called soon to discuss election tactics.

Dean Boyd M. Smith of Yale University's noted drama school is retiring. He was also dean of the Yale School of Architecture and Design. He was a U. S. Air officer in World War I. Both himself and his wife are natives of West Virginia, but they now live in Hamden, Conn.

Hanover Junior High Quint Here Tonight; Warriors To Play On Nighthawks' Floor

Important league games face Gettysburg's scholastic basketball teams this evening.

Ned Brownley's Junior High outfit, unbeaten in three starts and 2-0 in the South Penn League, is set to Hanover, also with a 2-0 mark in the league.

The junior varsities will clash in the preliminary at 6:30.

Gettysburg Senior High's Warriors travel to Hanover to meet the Nighthawks in a game which will determine occupancy of the cellar in the senior circuit.

Ferguson Threat
The Warriors crushed Mechanicsburg here Tuesday 60-44 for their one league victory against four losses. Hanover has been somewhat disappointing in losing all four of its league affairs. Stopping Tom Ferguson, tall Hawk center, will be the big problem for the Warriors and if they succeed in that they may chalk up their second league triumph.

At 6:45 the reserve teams will clash.

Three other South Penn games, all important in the tight first half race, are scheduled this evening. Shippensburg plays at Carlisle, Hershey at Waynesboro, and Chambersburg at Mechanicsburg.

County League Action
Two Adams County League games are on tap tonight. League-leading New Oxford invades Big Spring while Littlestown meets Big Spring at Newville.

Fairfield (2-7) plays at Thurmont in a non-league affair.

Delone Catholic 4-8 overall, meets York Catholic on the latter's floor in a Central Penn Catholic League game. The Squires are 0-2 in the league.

Biglerville Junior High has a 3-45 engagement this afternoon at New Oxford.

FURGOL HEADS TIJUANA FIELD

TIJUANA, Mex. (AP)—The \$15,000 Tijuana Open golf tournament, which years ago listed such legendary figures as Gene Sarazen, Henry Picard and other greats of the game, gets under way today over the long, rolling Tijuana Country Club course.

Heading the field of 153 players was former U.S. National Open champion Ed Furgol, who won the event last year after two holes of a playoff with Al Bessink. The tournament was revived in 1956 after an absence from the tournament slate for two decades. Mike Souchak won the 1956 top money and is also back for another try.

Most of the big names of golf were entered, including the current U.S. Open champion, Dick Mayer.

The Tijuana course, for the first two rounds, will measure 7,255 yards, which means a lot of real estate for the shot makers to travel. Par is 36-56-72.

BOMB SCARE AT LITTLE ROCK IS FALSE ALARM

LITTLE ROCK, Ark. (AP)—A bomb scare sent armed National Guardsmen swarming through integrated Central High School last night, but a search of the huge brick building apparently uncovered no explosive.

The federalized troops found "no indication of any evidence" of a bombing, a spokesman for the Arkansas Military Dist. said. Other Army officers insisted that the surprise maneuver was merely "a practice alert."

About an hour before the soldiers arrived at the four-square-block campus, military authorities, Little Rock police headquarters and a newspaper had received anonymous telephone calls that "something was going to happen to Central High School."

Many Onlookers
"They're from out of town; they're going to blow up the school," a woman caller shouted almost hysterically into a newsman's ear.

At 9 p. m. two jeeps and a bus carrying an estimated 36 guardsmen reached the campus. The rumors that "something was going on" brought hundreds of onlookers to the school in automobiles.

The troops, under the command of an unidentified colonel, dashed into the dark building and flashlights were seen moving from room to room.

The colonel was asked about the presence of the troops. He replied sharply, "No statement," and ordered news photographers to take no pictures.

In recent weeks the federal troops, protecting nine Negro students attending classes with some 2,000 whites, have been stationed at Central High only during school hours. The night guard has been left to civilians employed by the school.

Asks City Council \$50 For "Anguish"

PROVIDENCE, R. I. (AP)—A self-styled "dissatisfied taxpayer," Dante A. Mollo, went before the City Council with a complaint about last week's snowstorm.

He said he left his home the morning of Jan. 10 "in the best of spirits—but within a few minutes my good spirits had changed to despair."

The street had not been plowed and it took him an hour to get out, he said.

Mollo filed a claim for \$52.06—of which \$2.06 was an hour's lost pay and \$50 for "mental anguish."

The Council referred the matter to a committee.

THREE KILLED, FOUR MISSING IN STORAGE BLAST

RICHMOND, Va. (AP)—Four men were reported missing today after an explosion in a downtown cold storage building that killed three and critically injured another. Firemen planned a renewed search of the rubble.

They also sought the cause of the mysterious blast, which ripped off two massive walls of the three-story Merchants Ice and Cold Storage Co. refrigeration building.

Police, revising downward from nine to eight the number of men believed in the building, listed the missing as Charles William Gary, a plant foreman; James A. Gillespie and Franklin Jackson, plant employees; and John Morris, helper of one of the known victims.

Rescue workers recovered the bodies of Charles Reddick, Gray, 39, a plant foreman; and Robert Lester House, 34, and Carl Jackson, 41, drivers of school trucks which were loading food at the plant.

WORRY ABOUT STUDENTS WHO LAUNCH ROCKETS

WASHINGTON (AP)—Some youngsters now experimenting with rockets may one day pioneer major scientific achievements. But their activities now are worrying some safety-minded people.

The National Fire Protection Assn. and the American Rocket Society are calling for a national program of proper supervision and safe launching sites for young experimenters in what they call an "extremely dangerous" field.

Nobody denies the kids are getting valuable science know-how out of building rockets. But amateur launching efforts have been responsible for numerous accidents and even some deaths in recent months.

Boy, 11, Is Killed
Just yesterday an 11-year-old boy was killed in Samson, Ala., in the explosion of a homemade rocket he and his brother were trying to launch. The brother was hurt.

Who's to do the safety policing job is the question.

Neither the American Red Cross nor the National Safety Council has any program yet.

The military services have been making available their firing ranges and even some expert help. In fact, the facilities of the Army's Redstone Arsenal at Huntsville, Ala., one of the nation's major missile test centers, have been offered.

Writing Textbook
One of the best friends the young rocketeers have is Lt. Col. Charles M. Parkin, Army guided missile coordinator for the Corps of Engineers Research and Development Laboratory at Ft. Belvoir, Va. He also is vice president of the Washington section of the American Rocket Society, a professional organization.

To help amateur rocket builders, Parkin and fellow rocket and space experts are writing a special textbook on the subject.

Parkin, who'll write on safety, had these suggestions for young rocket builders:

White Medicine Man Gives Navajo Medicine Man Sight

INGLEWOOD, Calif. (AP)—A white medicine man has given a Navajo medicine man sight again today the eye surgeon, Dr. Arthur Gray, flies Hasteen Bikini back to his beloved Monument Valley in southeast Utah.

"I will like flying if we go swift as the eagle," Bikini said of his first plane ride. The Navajo with bandana-covered braided hair says he is 87.

Lions Chat Helped
Dr. Gray encountered the blind medicine man last September when the surgeon landed his four-place plane on a tiny airstrip in Monument Valley to visit an old classmate from the College of Medical Evangelists in Los Angeles.

Dr. Gray recalled last night: "I went to see him with an interpreter and he told me: 'I am still strong. I have good hands and legs. But I must use a grand-daughter for my eyes. If you give me eyes I can work.'"

Back in Inglewood, Dr. Gray told the Lions Club about Bikini. The club brought the blind man here by train and financed his hospitalization. Left behind were his wife, seven children and 13 grandchildren.

Two weeks ago the surgeon removed one of Bikini's eyes and took a cataract from the other.

Dr. Gray told a reporter: "He should be able to conduct his medicine man duties."

After his sight began returning Bikini commented: "White man medicine better than Indian medicine. But white man food not so good."

and supervision. Don't go into the basement or attic to experiment on your own.

2. Become familiar with — and obey — rules and regulations of the community, county and state where laws are in effect concerning handling of rocket propellants and explosive materials.

3. And "most important"—don't use potassium chlorate and perchlorates, high explosives or blasting caps. Stay away from the piperate family, the fulminates and iodate compounds and the dust of metals such as magnesium.

MEASURE TO BOOST DEBT LIMIT TO PASS

WASHINGTON (AP)—House passage next week was forecast today for a measure to let the government go deeper in debt for missiles and other defense needs.

Secretary of the Treasury Anderson goes before the House Ways and Means Committee to support the administration's request for a temporary rise from 275 to 280 billion dollars in the present legal limit on the national debt. The change would be effective until July 1, 1959.

Anderson had asked the increase by letter three days ago, saying he needs "sufficient flexibility that will allow us the capacity to do as good a job as we can in the management of the debt."

To Vote Tuesday
House leaders, anticipating no concerted opposition, already have scheduled debt increase legislation for a vote Tuesday.

The increase would permit new government borrowing to finance maturing obligations before the bulk of tax receipts flow in during the next several months.

In an earlier appearance report the Ways and Means Committee, Anderson "regretfully" ruled out general tax reduction under present conditions. But he clearly left the way open for a tax cut in the future if the economy fails to make an expected rebound and requires stimulation.

Near Present Ceiling
The government's debt now exceeds 274 billion dollars, less than a billion below the present ceiling. The all-time high was about \$280, 800,000,000, reached in December 1955 when the legal limit was temporarily 281 billion.

Prior to the war in 1941 the debt was around 49 billion dollars. By the end of the war, it had risen to around 270 billion.

Navy Works On Anti-Sub Weapon

WASHINGTON (AP)—The Navy disclosed today it is working on a deadlier replacement for one of two torpedoes described only this week as the "new and latest" among its antisubmarine weapons.

Confronted by reports of growing Russian undersea might, the Navy has been pushing development of a new family of antisub devices featuring better guidance, speed and range.

The naval ordnance plant at Forest Park, Ill., is taking the lead in this work, particularly in developing a replacement for the Mark 32 acoustic homing torpedo which has the capability of being released from a surface vessel without complex and bulky launching gear.

The Navy said a sufficient number of Mark 32s have been produced for training and combat

Customer Friends:

We have always felt an anniversary is more than just another milestone, the passing of another year. To us an anniversary is a moment for reflection over many pleasant moments which will live with us always. These moments of friendliness, consideration, thoughtfulness and gratitude are the things we remember and reflect upon at anniversary time.

During the past 36 years, you have given us many such treasured moments. We hope we have given you a few. And we hope you will join us in reflecting upon pleasant moments spent with us as well as the many occasions upon which our home furnishings of high quality have enhanced and graced your homes.

For our part, we will continue to exert every effort toward making your dealings with us thoroughly pleasant and satisfactory. We look forward to sharing a few moments of the coming year with you, attempting to make it even more memorable than the past.

Sincerely yours,
R. W. Wentz

SLEIGHRIDE IN PROFITS SEEN COMING TO END

By SAM DAWSON
NEW YORK (AP) — The profit sleighride is coming to an end for many business firms after a long period of always zooming faster than the year before.

In today's troubled economy this is watched as closely by labor leaders and tax collectors as it is by the stockholders.

Such so-called needles to the economy as changing the rules on margins in stock market deals can scarcely affect the trend on the broader front.

Few Have Losses
Few business firms are operating at a loss. But the earnings statements now starting to pour in show that for an increasing number profits after taxes are running behind the previous year.

For many of the others, the gains over a year ago are getting even thinner. Most blame rising operating costs that higher prices can't offset.

The trend interests labor because this will be a year of hard bargaining and the unions always use profits as a talking point in asking for higher wages. For several years they have argued that increased wage scales obviously hadn't halted the climb in profits.

The tax collector is interested on three counts: (1) the corporate income tax brings in billions of dollars; (2) the dividends that firms pay out bring in still more revenue from personal income tax payments; and (3) if the profit

squeeze gets worse, it could mean still further cutbacks in production and employment, with the tax collector a partner in such losses in earnings and personal income.

35 In 100 Slipping
The first 100 corporations to report on their operations in the last 12-month period show 35 falling behind their previous year's performance. Five of them operated at a net loss, the same number as a year ago. Four of these were in the red both years.

Combined, the 100 show net profits of \$1,223,384,233, a gain of 5.7 per cent over the previous year's total of \$1,156,531,366. The list is weighted heavily on the upside by gains in the service industries.

Most of the 100 have fiscal years that end before the calendar year, and this may make them look better, since their statements don't cover the last month or so of 1957 when the going was getting tougher for many, but do include the final weeks of 1956, a period of general good times.

MOSCOW PRESS REPORTS ON IKE

MOSCOW (AP) — The Soviet people read in Moscow papers Thursday for the first time of President Eisenhower's reply to Premier Bulganin's peace proposals.

The Soviet news agency Tass reported the Eisenhower message in a dispatch from Washington.

Tass said the President dodged Soviet proposals for a relaxation of tension and a stable peace.

Eisenhower tried to blame the Soviet Union for world tensions. Tass declared.

The agency said the President called for a foreign ministers meeting and greater emphasis on diplomatic channels to settle differences "although the Soviet Union's proposals for a summit conference to settle these problems received broad support in many countries, including the United States."

Dispute Over State School Authority

HARRISBURG (AP) — A small-scale partisan dispute over direction of the State Public School Building Authority was before a special committee of the board Thursday.

It developed Wednesday after the board's democratic majority, headed by Gov. Leader, objected to a Republican move to reelect three of their partynas officers an one Democrat.

The governor called for "a more realistic distribution" of the officers on the borrow-and-build agency, which is divided 5-4, political.

The matter was finally turned over to a four-member nominating committee, which was directed to present a panel of candidates at the board's next meeting. It is expected the committee will give each party equal representation on its slate.

Archer Named Head Of State Hospital

HARRISBURG (AP) — Welfare Secretary Harry Shapiro Thursday appointed Dr. Ralph Archer, a Titusville native, as acting superintendent of Clarks Summit State Hospital, effective Feb. 1.

He will receive \$13,301 a year. Dr. Archer had been senior psychiatrist at Mayview State Hospital, Pittsburgh.

Dr. Robert Galski, superintendent of Danville State Hospital, had doubled as acting superintendent of the Clarks Summit institution.

Commissioner of Mental Health Robert A. Matthews said it is anticipated that Dr. Archer will subsequently become superintendent at Clarks Summit.

WORRY

It is worse than many a disease.
It can make you old before your time.
It can even kill you.

And before it does, it can destroy all your happiness.

We know all that... why then, do we worry?
We worry because we have too many fears for our shallow supply of faith.

A man or woman needs faith enough to brush aside his fears.

God is ready to give you all the faith you need.
But you'll never get it worrying all week...

In Church next Sunday, you can renew and strengthen your faith. In so doing, you will be able to face life unafraid.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

FELLOWSHIP OF THE CHURCH

Acts 2:42-47; Romans 15:1-9a

Key Verse: Be kind to one another, tenderhearted, forgiving one another, as God in Christ forgave you. Ephesians 4:32.

The early Christian community probably enjoyed a fellowship which was unique. Its members were not wealthy nor were they of high position. They had no churches in which to worship, but gathered in homes of their members to break bread together and enjoy Christian fellowship. The Church then was commonly known as "The Way." Their unusual sense of fellowship caused the pagan world to say, "See how these Christians love one another!"

We are not certain whether the Sacrament of the Lord's Supper was celebrated at every common meal or not, but these early Christians certainly prayed, discussed their faith, and undoubtedly shared this spiritual fellowship frequently. This lesson account says, "And all who believed were together and had all things in common; and they sold their possessions and goods and distributed them to all, as any had need." This happens to be a part of one of the summarizing statements Luke makes in the first part of the Book of Acts.

Stress Own Beliefs

The early Christians were expecting the second coming of Christ and that may have been one reason for this prodigality in selling everything. It is in sharp contrast to our lack of liberality toward those of our household of faith. They also devoted themselves to the apostles' teaching. Acquainted with the various philosopher-teachers, such as Socrates and Plato, they began to stress their own beliefs founded on Jesus Christ called "rabbi" or "teacher." After thoroughly examining their faith they formulated their beliefs. These are summed up in The Apostles' Creed.

The apostles also did "many wonders and signs." These were performed as a part of their commission. As a result of their activity in preaching the gospel and healing the sick, "the Lord added to their number day by day those who were being saved."

Dr. Josiah Royce in his book, "The Problem of Christianity," says that the early Church was not only a community of memory in which they regularly commemorated the life and resurrection of Christ, but a community of hope. Later he goes on to say: "But the lives of communities cannot consist of miraculous crises. A community, like an individual self, must learn to keep the consciousness of its unity through the vic

LEEWAY FOR JUNIOR MAY AID NATION

STILLWATER, Okla. (AP)—By giving junior a little more leeway as a nonconformist, parents might be able to indirectly assist this country's scientific advancement.

The conclusion of a study by Dr. John Drevdahl, Oklahoma State University psychologist, was that creative ability stems from nonconformity in thinking and from an attitude of skepticism.

"Realization of the vital role environment plays in the development of the creative personality is of paramount importance to the U.S.," Drevdahl asserted. "It is only through continued scientific advancement, necessarily by creative persons, that this country can regain or maintain its position of leadership."

Personality Main Factor

The psychologist has been conducting research on personality traits for the past four years, collecting data from questionnaires sent to 300 scientists and 150 artists and writers. They were promised anonymity in answering the questions.

In persons with intellectual levels of 120 IQ or higher, he found creativity depended upon personality traits. About one in five has an IQ of 120 or more.

Drevdahl said personality and not superior intelligence alone is the main factor in creativity.

By forcing the potential genius to conform for the sake of conformity is a good way to bury his creative ability, he warned.

He conceded there must be limits to the freedom of nonconformity.

Pioneer Producer Is Buried In Hollywood

HOLLYWOOD (AP)—The body of pioneer producer Jesse L. Lasky has been entombed just 10 blocks from the corner where he helped set up the city's first movie studio 45 years ago.

Hundreds filled the Chapel of the Pains and Occupied Folding chairs outside at Lasky's funeral in Hollywood Memorial Cemetery yesterday. He died Monday at 77 of a heart attack.

Mourners included his partners in the first studio, Cecil B. DeMille and Samuel Goldwyn; Mary Pickford, Ed Wynn, Harold Lloyd and Gary Cooper. In eulogy, President Samuel G. Engel of the Screen Producers Guild called Lasky "a giant in filmdom."

EXTEND WORK ON MISSILES

PHILADELPHIA (AP)—Henry F. Dever, vice president of Minneapolis Honeywell Regulator Co., yesterday announced formation of a new organizational division to consolidate the company's work in ground facilities which serve missile programs.

At the same time Dever announced the firm will begin production within the next few months on a large quantity of automatic ground control systems for several missile programs. Dever said he could not disclose the amount of the contract or details of the missile programs.

Marshall B. Taft was named general manager of the new unit to be known as the Missile Equipment Division. The division will move into headquarters in Pottstown in early February. It is expected to have about 150 employees by the end of the year.

Dever said the consolidation was

SUPREME COURT DENIES APPEALS

PHILADELPHIA (AP)—The Pennsylvania Supreme Court yesterday rejected two appeals from lower court rulings in damage suits and also denied a writ of habeas corpus filed by a York County man serving a life sentence for murder.

The court denied a petition by Charles Parente, 85, of Pittston, asking the court to vacate a Luzerne County Common Pleas Court decision in favor of John and Carol Dickinson whose car struck Parente in West Pittston, April 15, 1955. The Luzerne County court ruled that Parente stepped into the path of the car.

Parente had sought damages for injuries which he testified have left him permanently crippled.

Lancaster Appeal

The other rejected appeal was filed by Gary Michael of Lancaster who sought a reversal of a Lancaster County Common Pleas Court ruling which relieved the Lancaster School District and the city of Lancaster of responsibility for injuries which Gary received in a city playground. Gary was injured when the bicycle he was riding was thrown against a defective fence in the playground of the Reigart School.

The high court rejected Robert Corbin's appeal for a writ of habeas corpus on the grounds that his trial and sentence in January, 1951, and his handling by police after his arrest were entirely proper and were in accordance with his constitutional rights.

Governor Starts Work On Freeway

SALT LAKE CITY (AP)—Gov. George D. Clyde manned the bulldozer instead of the usual shovel at ground-breaking ceremonies that launched preliminary work on a freeway system here.

Clyde, who took some advance lessons in bulldozer operation just to be on the safe side, was asked to knock down the wall of a building—being torn down to make way for the freeway.

On his first try, he barely missed a parked car. But after the car was quickly moved, he performed his job with dispatch then carefully climbed down as onlookers applauded.

prompted so that the company's work in that field can be accelerated to meet the "increasing urgent needs of the nation's missile program for ground control systems."

Negro Legislator Is Honored In Ky.

FRANKFORT, Ky. (AP)—The Rev. Felix S. Anderson of Louisville is the first Negro in history to sit as chairman of a standing committee in the Kentucky House of Representatives.

Anderson, fourth Negro to serve in the General Assembly, heads the Committee on Suffrage, Elections and Constitutional Amendments.

Gov. A. B. Chandler said he was greatly pleased with the appointment. "He is a fine man and I think this illustrates the progress we are making in Kentucky."

PENTAGON'S DELAYS ARE CRITICIZED

WASHINGTON (AP)—Sen. Cotton (R-NH) criticized today what he called delayed decisions in the Pentagon as Senate and House investigating committees studied means of speeding up new defense measures.

"There are so many layers of decision-making officials and boards in the armed services that the Russians can put a program into action while we are conferring about it," Cotton said in a statement.

The emphasis was on missiles in hearings at both ends of the Capitol.

Both representatives and senators have questioned whether the Eisenhower administration has budgeted enough funds in the immediate future for the missiles program.

But Sen. Cotton, as others have, contended that smoother organization within the Defense Department is needed if progress is to be made.

He questioned the need for more than 30 civilian secretaries, deputies and assistants in the Pentagon. He said only eight top officials were required during World War II. That was before the services were placed within a single department.

Wants Nuclear Rocket

In another congressional development, the Senate-House Committee on Atomic Energy established a special subcommittee on outer space propulsion, headed by Sen. Anderson (D-NM).

Anderson, in a Senate speech, called for renewed effort to get "a nuclear rocket off the ground" and said he does not think a flight

PLEADS GUILTY TO DRUNK COUNT AND PAYS FINE

MALIBU, Calif. (AP)—Actress Sarah Churchill, head high and fighting to hold back the tears, pleaded guilty to a drunk charge, but explained: "I was more ill than drunk."

The 44-year-old actress, daughter of Britain's Sir Winston Churchill, was fined \$50 yesterday in Malibu Justice Court.

Her gloved hands gripped the back of a chair as she faced Judge Charles H. Woodmansee and answered, "I plead guilty to the charge." Given permission to make a statement, she continued: "I was more ill than drunk. I

Anderson contended the Atomic Energy Commission's nuclear rocket propulsion project has been slowed by administration-imposed limitations on spending.

Will Hold Special Election Tuesday

GREENSBURG, Pa. (AP)—Voters in the heavily Democratic 21st congressional district go to the polls Tuesday in a special election to choose a successor to the late Rep. Augustine Kelley.

Kelley, a Democrat, was serving his ninth consecutive term when he died last Nov. 20. His successor will serve through 1958. An election will be held next November for the full two-year term.

Candidates in Tuesday's special election are veteran Democratic State Sen. John Dent, 49, of Jeanette, Pa., and Republican Herbert O. Morrison, a 52-year-old Pittsburgh radio newscaster who lives in Scottsdale, Pa., where he is a borough councilman.

A spokesman for the House Democratic Campaign Committee says it would be a "political upset" if Dent should lose.

Morrison acknowledges the odds are against him but says he hopes to win. He twice sought to unseat Kelley, losing in 1954 by 25,435 votes and in 1956 by 18,958.

Golf was first played in Holland. Then the Scotch took it as a national game. It became popular in the United States in the 1880's.

CASTRO LEADS REBEL RAID

HAVANA (AP)—Rebels reportedly led by Fidel Castro himself swept into the farm town of Veguitas yesterday, fought a bloody battle with government forces and retreated to their mountain hide-outs.

It was the second bold rebel raid in three days in eastern Cuba. Castro's forces blockaded the sugar shipping city of Manzanillo, 20 miles west of Veguitas, all day Tuesday.

The rebels also have been burning sugar cane fields and farm buildings in an effort to cripple President Fulgencio Batista's economic program.

Residents of Veguitas said Castro himself led the raid there. Many rebels were reported killed and wounded and about 20 to 30 government troops were slain. The rebels reportedly held the town of 8,000 residents for two hours.

With the arrival of Communist refugees, the population of Hong Kong has advanced from one million (normal) to 2,750,000. Some Communist refugees are sleeping in holes dug in hillsides outside the town.

PARISH WOMEN TO BE HOSTESSES FOR DEANERY

The St. Aloysius Parish Council of Catholic Women made plans to serve as hostesses for the annual dinner meeting of the Conewago Deane Council at the January meeting of the Council held on Wednesday evening in the parish hall, with approximately 40 members in attendance.

The Deane Council dinner meeting will take place on Thursday, Jan. 30 in St. Aloysius Hall, with a turkey dinner at 6 p.m. and Schottie's as caterers. Reservations at \$1.75 each must be made with the parish president, Mrs. Thomas French, by Jan. 23. Mrs. Francis Prato, parish hospitality chairman, will select a group of hostesses, and Mrs. R. G. Lalin, parish Shrines in the Home chairman, will be in charge of arranging the shrine for the occasion. Dr. A. M. Wasilofsky, a member of the faculty of St. Joseph College, Emmitsburg, will be guest speaker and there will be special music.

The meeting on Wednesday opened with prayer by the pastor, the Rev. Fr. William A. Boyle. Mrs. Clyde H. Rohrbaugh, vice president, presided. A contribution of \$5 was voted to the March of Dimes. A letter from Miss Gertrude Wright, president of the Harrisburg Diocesan Council of Catholic Women, was read by Mrs. Regina Arter, noting that her New Year's remembrance to council members was a mass for their intention, and also mentioning plans for the annual diocesan convention.

Change Meeting Night
The members decided to have a food sale on Friday, February 7, for which details will be announced. Mrs. Francis Prato will serve as chairman of the committee in charge and each woman of the parish will be contacted for a donation.

It was announced that all committees appointed to serve at the weekly Saturday night public parties in the parish hall are posted on the bulletin board in the vestibule of the church, at the beginning of each month, for the convenience of the women in making arrangements to be present.

It was voted to change the meeting night from the fourth to the third Wednesday of each month, and the February meeting will be held on Ash Wednesday, Feb. 19, following the church services. At the time, there will be organization of a merchandise club for the benefit of the convent fund. The February committee includes Mrs. Ivan D. Rickrode, Mrs. George B. Sneeringer, Mrs. Nicholas Redding, Mrs. Thomas L. Cookson Sr., Mrs. Hilda Elime, Mrs. Francis Kuhns, Mrs. Stewart N. Long Mrs. Leo Riley, Mrs. Lawrence Rexroth, Mrs. Kenneth Sentz and Mrs. Donald J. Staub.

Skit Presented
The business meeting concluded with prayers for vocations led by Father Boyle, after which a skit was presented, entitled "An Evening at Home," by Mrs. Paul E. Alloff, chairman of the evening's committee, and her four children, Larry, Peggy, Bobby and Gerry, and a make-believe infant. The skit includes a piano solo by Peggy; guitar solo selections by Larry, Bobby and Gerry; vocal solos by Bobby, Peggy and Gerry; a reading by Mrs. Alloff and a prayer poem by Larry. Mrs.

Announce Bequest From Stoner Estate

A bequest of \$500 to the Mason and Dixon Memorial Post No. 6954, Veterans of Foreign Wars, from the Mrs. Marion Stoner Huey estate was announced at the semi-monthly meeting of the VFW Post held on Tuesday evening. Malcolm Harner, commander, presided at the session, when a donation was voted to the Delone Catholic High School Yearbook Fund for an advertisement; \$10 contributed to a needy person.

Five new members were enrolled on Tuesday: Robert Arter, Calvin S. Mummert, Harold Bancroft, Robert K. Small and Nathaniel Ramsburg. It was decided to hold a free membership dance on Friday, February 7, from 9:30 to 1:30 at Bankert's, N. Queen St. General arrangements are in charge of Edgar Wisotzky and Earl J. Weaver. The post will meet again on Tuesday, January 28, 8 p.m.

Is Junior Member In Holstein Group

Douglas Gitt, Littlestown, has been accepted as a junior member of the Holstein-Friesian Association of America, Brattleboro, Vermont. He was eligible to become a junior member of the organization for having done satisfactory dairy club work with registered Holsteins and was recommended by John D. Nangle, assistant Adams County agent. Receipt of a certificate of merit and a Holstein Junior Membership pin entitles him to all the privileges of the association, except voting. Over 23,000 young people in the 48 states have participated in the junior program of the Holstein Association since it was founded in 1923.

DOCTOR CLAIMS FINGER PRINTS CAN BE CHANGED

CHICAGO (AP)—Fingerprints—contrary to the general belief—can be changed permanently, a New Orleans physician reports in a medical publication. Writing in the current Archives of Dermatology of the American Medical Assn., Dr. James W. Burks described two medical cases where fingerprints were obliterated.

"The potential inconsistency of fingerprints renders positive identification by this means uncertain and thus has legal implications which will undoubtedly affect certain judicial decisions," Burks said.

Burks, of Tulane University School of Medicine, noted that law enforcement agencies and other workers in the field of identification long have considered fingerprints unalterable.

"Skin Planning"
In the cases described by Burks, involving wire brushes of a type used to remove acne or smallpox scars were used in a technique called skin planning.

Finger skin in these cases grew back over the denuded area and generally were smooth except for minute, thin, criss cross and parallel lines.

Identification experts who examined the healed skin consid-

Suspect Assault In Ex-Prof's Death

PITTSBURGH (AP)—Police are investigating the possibility a former assistant professor at the University of Pittsburgh may have been beaten to death.

Stuart R. Ikeler, 50, who lived in an Oakland District rooming house, was dead on arrival last Monday at Montefiore Hospital where he was taken by a son, Fred, after complaining of head pains. He had been found lying on the floor of a tavern.

At the request of the victim's former wife, Coroner William D. McClelland ordered an autopsy which was performed last night. The autopsy disclosed Ikeler suffered a ruptured spleen, badly blackened and swollen eyes, a broken nose and some 30 bruises. The coroner's office said this indicated Ikeler may have been beaten and kicked.

Ikeler was a native of Bloomsburg, Pa.

ered it "worthless in establishing identity of the subject or even in their general classifications," Burks said.

Burks' two patients were treated to remove arsenic-caused horny growths on a fingertip. In such cases, Burks said, dermatologists can aid law enforcement officials by determining what medical reasons, if any, a person may have for removing prints.

The National Congress of Parents and Teachers has existed for 61 years. It sponsored hot school lunches and traffic safety programs.

STAY IN CHINA IS EXTENDED

HONG KONG (AP)—Communist China has granted three American mothers permission to stay another week in Shanghai and Peiping visiting their sons imprisoned on spy charges.

There was no indication whether the extension might foreshadow clemency for the Americans. Two are serving 20-year sentences and the other a life term. Mrs. Ruth Redmond, Yonkers, N. Y., said she has formally asked Premier Chou En-lai to release her 38-year-old son Hugh. "I'm still hoping but have no answer yet," she said by telephone from Shanghai.

The one-week extension was first announced for Mrs. Mary Downey, New Britain, Conn., visiting her son John, and Mrs. Jessie Fecteau, Lynn, Mass., visiting her son Richard. The extension also applied to Mrs. Downey's son William, 25, who accompanied his mother to China.

Mrs. Redmond later reported she also had received permission to stay. All three mothers entered Communist China last week and had planned to leave the country tomorrow after seeing their sons four times.

"Madame Butterfly," the Puccini opera about the Japanese girl who fell in love with an American naval officer, was first performed in Milan in 1904.

CULLISON: In sad but loving remembrance of my dear son, Marlin Cullison, who departed this life 3 years ago today. There is someone who misses you sadly. And finds the time long since you went. There is someone who thinks of you always. And tries to be brave and content. Gone is the face I loved so dear. Silent the voice I loved to hear. 'Tis sad, but true, I wonder why. The best are always first to die. Sadly missed by his father.

BRADY DROPS HIS APPEAL ON PERJURY

ERIE, Pa. (AP)—Basil Brady, a suspended State Liquor Control Board enforcement agent, has withdrawn an appeal from his conviction on perjury charges that stemmed from the alleged blackmail of a tavern owner.

Asst. Dist. Atty. Damian McLaughlin of Erie County said today that 50-year-old Brady agreed to drop his appeal for a new trial after Judge Burton R. Laub dismissed Brady's conviction on blackmail charges. The judge ruled there was insufficient evidence to support the blackmail conviction.

McLaughlin said Brady will be sentenced on the perjury count after the January term of civil court ends next week.

Involved By Prisoner

Brady, formerly assigned to the Erie LCB office, was convicted of blackmail and perjury last November. The state charged that Brady and Joseph Wisniewski of Erie tried to extort money from Joseph Miller, operator of the Pal O'Mine Tavern, in return for information about LCB check-ups on the tavern. The state charged Brady perjured himself in testimony before LCB officials who investigated the alleged shakedown.

Wisniewski, a one-time tavern owner, was convicted of blackmail earlier and served a jail term. The state said he implicated Brady while in jail.

Brady had been transferred to the Allegheny LCB office when he was arrested. He is now under suspension.

BURGLAR IS SHOT TO DEATH

HAZLETON, Pa. (AP)—A burglar, flushed out of a Hazleton Heights cafe by police, was shot to death early Thursday by a rookie officer.

The victim was identified as Herman Dursoy Jr., about 25, of 22 E. Mine St., Hazleton. Officers said he had a police record.

Patrolman Richard Deliberto said he fired three warning shots before fatally wounding Dursoy.

Deliberto was one of 10 police officers who responded after John Gutsie, proprietor of Gutsie's cafe, heard a burglar alarm.

Gutsie said the alarm was tripped about 4:15 a.m. He immediately notified state and city police.

They surrounded the cafe at 462 S. Poplar St. and ordered Dursoy to surrender.

He responded by throwing a stool out of a plate glass window

in the front of the cafe. But unable to crawl out he made a hasty retreat to the rear and jumped out a kitchen window.

At this point one officer shouted for Dursoy to halt. He kept running and was shot about 100 feet from the cafe.

Gutsie said about \$100 was missing from a cash drawer.

Dursoy apparently gained entrance through a cellar window. Patrolman DeLiberto joined the Hazleton force about a year ago.

FIX EXAM DATES

HARRISBURG (AP)—The State Civil Service Commission Thursday fixed March 15 for examinations for budget examiners and highway design assistants. The jobs pay from \$4,121 to \$9,923 a year.

Last year a total of 3,033,147 people were X-rayed for tuberculosis in Canadian hospitals, says Dr. George J. Wherrett of the Canadian Tuberculosis Assn. There was "no danger from radiation involved," he said.
